AS many records of great historical value are found in cemeteries, I have undertaken to set down those in the Jewish Cemetery here at Sumter. I hope that this small pamphlet will be of value to those interested in these records and especially those who would not be able to visit the Cemetery.

Allen County Public Library
Ft. Wayne, Indiana

A many records of great historical value are found
in connection with the history of the State of Indiana.
In the Lewis & Clark papers at St. Louis, I hope that
this small pamphlet will be of value to those interested
in these records and especially those who would not be
able to visit the Cemetery.

THE town of Sumter came into being about 1801 and shortly thereafter, about 1815, Mr. Mark Solomons, of Charleston, moved to Sumter and as far as we know he became the first permanent Jewish inhabitant. Since this time there has been an ever growing Jewish community in Sumter, most of the early families moving here from Charleston.

There is in Sumter a Protestant, Catholic and a Jewish cemetery. The land of the present Jewish cemetery was purchased July 22, 1874 from John H. Furman, Trustee. There was formed about this time the Hebrew Cemetery Society and the first written record we have of one of its meetings, listed as present the following: C. H. Moise, D. Rosendorf, A. Morris (probably Alec), Abe Morris, Altamont Moses, M. G. Ryttenberg, B. J. Barnett, E. W. Moise, A. D. Moses, H. Goldstrom, Abe Ryttenberg, A. C. Phelps, E. W. Moise, Jr., H. D. Moise, C. H. Moise, Jr., J. E. Soares, Harry Ryttenberg, Perry Moses, M. Furstenberg, Herman Schwerin, Dr. Edward Solomons, Horace Harby, Marion Moise and Isaac Sulzbacher. The last named acted as secretary.

Six or seven years later there was organized The Sumter Hebrew Benevolent Society and on April 27, 1881 there was a joint committee meeting of the two Societies for the purpose of merging the Burial Society with the Benevolent Society. The report of this meeting shows that M. E. Cohen, A. A. Solomons, C. H. Moise, E. W. Moise, Horace Harby and Altamont Moses represented the Hebrew Cemetery Society and the last three represented also, the Hebrew Benevolent Society. It was voted that upon ratification the two organizations merge and that the Benevolent Society incorporate. Also that the Cemetery Society convey by deed the two acres of land known as the Hebrew Cemetery to the Sumter Hebrew Benevolent Society.

Sometime prior to 1895 there was organized a society known as the Sumter Society of Israelites. In the old minute book there is a record of a meeting held on May 5, 1895 at which time it was agreed to merge the Benevolent Society with the Sumter Society of Israelites and to carry on in future under this last named organization. The cemetery property, real and personal, rights and franchise, was deeded to the Sumter Society of Israelites.

We see that there was first the Hebrew Cemetery Society which was later merged with the Hebrew Benevolent Society, then the latter was merged with the Sumter Society of Israelites. Each of these changes was to enable the association to participate in work in a broader field. The Sumter Society of Israelites maintains Temple Sinai and the society is often referred to as Congregation Sinai. Rabbi Samuel R. Shillman has been the spiritual leader of the Congregation since September 1930.

On April 3, 1907, the minutes of the Society show that two more acres of land adjoining the cemetery on the north was purchased from H. J. Harby and J. D. Blanding. This is now known as the new section, the first lots of which were sold for internment in January, 1936.

The cemetery is under the care of the Warden who is an officer of the Sumter Society of Israelites, elected at its annual meeting. Herbert A. Moses has served as Warden since 1916. The Warden issues burial permits and is chairman of the Cemetery Committee. The other members of this committee are Mrs. Perry Moses, Sr., and Mrs. W. Graham Moses. Assisting with the care of the grounds is a committee of five from Congregation Sinai Sisterhood. These are Mrs. Perry Moses, Sr., chairman, Mrs. H. D. Barnett, co-chairman, Mrs. Nina M. Phelps, Mrs. Harry Ryttenberg and Mrs. I. C. Strauss.

AMENDMENT TO THE CONSTITUTION

Adopted at the Congregational Meeting
of October 15, 1940

Amend Article IX Section 2 so that it shall read:

That the price for the exclusive use and occupancy of a lot 20 feet by 20 feet shall be Fifty (\$50.00) Dollars including title;

That the price of a single interment to members of this Society who pay dues but are not lot owners shall be Ten (\$10.00) Dollars.

That the burial fee for Jews who shall have lived in Sumter or Sumter County for one year prior to date of death and who are not members of the Sumter Society of Israelites, dues being fully paid up, shall be \$100.00.

That the price for a single interment of a non resident of Sumter County shall be \$50.00 if the deceased be a member of a regular organized Jewish Congregation, in good standing at time of decease.

That the price for a single interment to a non resident not a member of a Jewish Congregation shall be \$100.00.

That the price of lots to non resident not a member of this Society shall be \$100.00; that such non resident buying a lot shall become a member of the Society, and thereafter regular dues not less than minimum dues of the Society, shall be paid by the owner of the lot or the successor thereof; or in lieu thereof the lot shall be endowed in the amount of the endowment established by this Society. Should neither the lot be endowed, nor dues paid, the Society by resolution of its Trustees may revert the lot to the ownership of the Society.

It is provided, however, that a committee consisting of the Warden of the Cemetery and the President and the Secretary of this Society shall have the power to modify any of these above stated amounts should in its judgment circumstances so warrant, except that the regular price of a lot shall not be less than Fifty (\$50.00) Dollars.

At this time (1942) there are 19 lots endowed for perpetual care. The cost of endowing a lot is \$300.00. This money is invested by the treasurer of the trust fund with the approval of the president and the finance officer. At this time these officers are: Wendell M. Levi, President; Sam E. Reevin, Finance Officer; and Marion Moise, Treasurer of the Trust Fund.

As the cemetery land was not purchased until 1874, it is safe to assume that those who died before this date and now are buried there were moved from some prior resting place.
